DESCRIPTION

The Slender Collection embodies sleek minimalism with refined functionality. Defined by its slim cylindrical silhouette and contemporary design, each picture light features an adjustable ball hinge that allows precise positioning to beautifully illuminate artwork, shelving, kitchen spaces, hallways, and more. Integrated LED technology delivers efficient, long-lasting illumination with a warm white 3000K color temperature as standard. Available in a range of modern finishes, Slender offers a clean architectural aesthetic that complements both residential and commercial interiors.

- Modern picture light with sleek cylindrical silhouette and minimalist contemporary styling
- Adjustable slim ball hinge allows precise illumination for artwork, shelving, hallways, and kitchen spaces
- Integrated LED with standard 3000K warm white color temperature provides inviting, energy-efficient light
- Available in a variety of modern finishes to complement contemporary and transitional interiors
- Ideal for residential or commercial applications requiring focused accent lighting with a refined architectural look
