FU317659 Brass

IC Lights S2

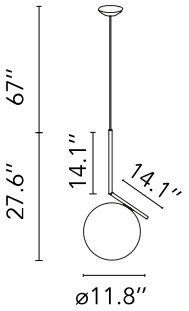

Designed by Michael Anastassiades, 2014

Halogen - 150W

Suspension lamp emitting diffused light. Features a metal frame available in brushed and transparent varnished brass, chrome-plated steel or black, with a blown opal glass diffuser.

Part of the IC Lights series by Michael Anastassiades, a collection that explores balance, movement and identity through minimal, poetic forms. Designed in 2014, the series was inspired by the dexterity of a contact juggler and the visual tension of a sphere poised in perfect equilibrium. Like the other pieces in the IC Light Series, this lamp balances designer Anastassiades' love of industrial simplicity with intricate symbolism.

Main specifications

EAN	8059607011386
Mounting	Suspension
Environments	Indoor dry location
Light Source Type	Bulb
Light sources included	No
Lamp category	Halogen
Lamp type	T10
Lamp holders	E26
Number of lamps	1
Power (W)	150

Physical

Color	Brass
Length (in)	11.81
Cord color	Black
Cord length (in)	66.929
Canopy color	Brass
Canopy height (in)	1.260
Net weight (lb)	5.73
Gross weight (lb)	11.8
Package volume (in)	6318.42
IP internal	20

In our constantly evolving world and business, technical upgrades happen every day. This means all product specifications and data are subject to change without warning in order t improve reliability, function, performance or otherwise. We make every effort to ensure the accuracy of our product images, however due to different lighting and screens used for viewing, the colours may vary. Images are indicative of the quality and style of the product but may not represent the precise details of the product you receive. This is because we are constantly working to make improvements. For aesthetic reasons, cables and/or electrical elements are often not shown. Refer to technical data sheets for all technical data. Images and colours are not part of any contract or warranty in any way.
